2:00 - 3:00 Café
- Wednesday, April 30 & Thursday, May 1
Kindergarten/1st Grade Registration

Welcome to April and what we hope will be some spring weather soon!!! I wanted to take the time to thank all of our parents and community members who were able to come in and read to our students during our month long Read Across America Challenge. We celebrated with a wonderful assembly last Friday morning, and although we came up short of our goal we did accumulate over 131,000 minutes of reading this month!! (I think a few students forgot to bring all of their slips in.) ☺

I also wanted to let you know about the district's initiative to go paperless for the 2014-2015 school year. We are happy to inform you that in our continuing effort to provide timely and up to date information, all report cards and other student information will be distributed via our on-line student information system beginning next year. Information on how to create a Power School Parent Portal account will be mailed home to you over the summer. All parents will need to have an account to receive report cards, progress reports, bulletins, and other important information. Please note that if you are a current Parent Portal user, you will need to create a new account for next school year. I will keep you informed as we continue to go "paperless" throughout the district. Feel free to speak with me if you have any questions regarding this initiative.

Mr. LeGallo
